A report gained circulation in some way to-day that a man had been found frozen to death on River street last night or this morning. The report spread from one person to another, until at last accounts some appeared to know the exact spot where the man was found and his personal appearance. Investigation showed that the report was probably the work of some would-be joker, who if his intention was to cause a stir, must have realized his ambition.

Make no engagements for Friday evening and come to the Universalist church, where you will have a chance to laugh. There will be old ladies, young ladies, old maids and young maids. Some sewing societies are strictly private, but this one will be made public, and the secrets of the society will be made known. Everybody come and bring your friends; you are sure to enjoy a good concert and sure to have a good laugh, which means a good night's rest. Don't disappoint the ladies. EXPLOSION KILLS FOUR.

Ten Other Men Injured When Dynamite Storehouse Blew Up.

Newark, N. J., Jan. 21.—Four men were killed and 10 others injured, one fatally, when several tons of dynamite in one of the buildings of the Forcite powder works at Lake Hopatcong blew up yesterday. The detonation shook the country for miles and blew the building to atoms. Not one of the 14 men at the building escaped unhurt.

There were three or four tons of stick dynamite in the building, which was of one story. The bodies of the men killed were mutilated beyond recognition. Several of the other workers in the building were hurled considerable distances, but only one of these received fatal injuries.

There was some delay in getting assistance to the injured, as it was feared that others of the buildings at the works might blow up.

The Forcite powder works belongs to the Du Pont Powder company and manufactures blasting dynamite.

SAVED BRADFORD BOY.

Therefore a Goldhall Boy Was Given a Hero's Medal.

Pittsburg, Jan. 21.—The Carnegie hero fund commission at its annual meeting here yesterday awarded 26 medals, \$14,750 in cash and pensions aggregating \$565 per month for deeds of valor performed since the last meeting of the commission last October.

The cash awards made by the commission since its organization in May, 1905, including those made yesterday, amount to \$163,452.26, and the pension allowances \$16,400 annually. All the officers of the commission were re-elected at the meeting yesterday.

Among those to receive awards yesterday is Neal W. Beattie, age 21, of Goldhall, Vt., who is given a bronze medal and \$1,000 for educational purposes.

Beattie rescued William A. Sargent, aged 20, of Bradford, Vt., from drowning on January 27, 1906.

GETTING READY FOR SPRING.

We are now making every effort possible to get ready for spring business as soon as we can. In order to do this we must close our Winter Garments and Furs within the next few weeks, as by that time we will not have room for winter garments. If your old coat or fur is getting worn or out of style it will pay you to buy for next season, when you can buy a good warm fur or coat at the prices we are putting them out for now, it will not pay you to keep the old garment.

Ladies' Coats

We are making prices on our entire stock of Winter Coats to close them out in the next ten days. We are making the price so low that you need to look them over early to get what you want. All of our Ladies' Colored Coats, such as brown, blue, green, red and mixtures, we are offering at half price.

Coats in colors, made of a good quality broadcloth and lined throughout, that sold at \$12.00, now only \$6.00. The cloth alone will cost more than that.

Coats in colors in lined and unlined cloths in our best materials, that have sold at \$20.00, now only \$10.00.

In Black Coats we have some values in broadcloth and English meltons, at much reduced prices; many of these are Coats which have come in recently.

Ladies' Separate Skirts

We have a few Skirts in plain colors and black in good weight cloth—Skirts that we have only one or two of a style left. We are making a price on them to close at once.

At one-half price are a few odd Skirts in colors and black, only one of a style. This is a chance to get a good style Skirt at a little price.

At \$3.98 are a few odd Skirts in blue, black and grey, to close at once. These are Skirts that sold at \$5.00 to \$6.50. These prices should close the lot at once.

At \$5.98 are some of our best selling Skirts of the season, only one or two of a style. These are Skirts in colors and black, which sold at \$10.00.

Children's Coats and Furs

All of our Children's Coats in white and colors to close at one-half of the original price. These are Coats that will be just as good for next season, but we rather have a part of their cost than carry them over.

FUR LINED COATS

We are offering in this clearing-up sale two Fur Coats of the best quality Electric Seal, an extra good value, at one-half the original price. This is an extra good value and the price is only \$17.50 now.

At \$20.00 are two Fur-lined Coats in black, are a good quality shell and were a good value at \$25.00.

At greatly reduced prices are a few of our better quality Fur-lined Coats. We are anxious to sell every Coat in the next ten days.

TALK OF THE TOWN

Watch for the date of the young ladies' supper at the Universalist church.

Hospital Benefit Supper.

This supper was suggested from the fact that heretofore many have expressed their disappointment at not being able to patronize something benefiting the hospital on equal terms with those who dance. Therefore, there is to be a chicken pie supper the same night as the hospital benefit ball, Thursday evening, January 28, at Universalist church vestry, from 5:30 to 7:30, price 25c per plate. Those who do not dance can patronize this supper, as well as those who do attend the ball. This supper is independent of the one to be served in connection with the ball.
